

TAPOUT PROFESSIONAL MMA RINGS

Tapout Professional MMA rings embody a level of excellence that is unparalleled in the industry. Not only has the Professional MMA ring been designed to be aesthetically appealing with clean lines and smooth vinyl surfaces, but it has been engineered to be the strongest ring on the market.

Manufactured with the intent of being assembled and disassembled countless times with ease while preserving its structural integrity, our Professional MMA rings come turnkey and ready to meet your event needs. Your ring comes complete with the following features:

1. Professional MMA Ring Framing
2. Steel Cable 'Rope' System with Vinyl Covers
3. Floor Padding
4. Vinyl Mat Cover
5. Full Length Corner Pads
6. Vinyl Skirt
7. Stairs
8. Assembly Hardware

1. Professional MMA Ring Framing

- The vertical support posts have been reinforced to handle the extreme stress of our cable system.
- The sub-framing has a large center stage with support bars extending out to the trusses and corner posts.
- The center stage, support bars, trusses and vertical posts are all tied together utilizing laser cut U-Brackets which make for a quick assembly of the cage framing.
- On top of the sub-framing, rests another lighter steel sub-floor with CNC cut plywood already attached giving your floor more durability. The flooring is held in place by laser cut brackets serving to lock the flooring together.

2. Steel Cable 'Rope' System with Vinyl Covers

- We have replaced the traditional hemp ropes with a steel cable system to add strength and allow you to make the ropes tighter than ever before.
- The cables are covered in rubber and are topped off with a vinyl cover for an unparalleled look and feel.
- Custom color Vinyl Covers are available upon request. Please contact Tapout for additional pricing and color choices. *(please note, custom color choices may increase the production timeline of your Professional MMA Ring)*

3. Floor Padding

- The floor padding is composed of a 1-3/8" closed-cell polyethylene foam designed to reform its original thickness after compression while still providing a firm surface to fight on. This provides a fighting surface that will not slow down the athletes yet protect them on high impact throws.

4. Vinyl Mat Cover

- The Professional Cage comes standard with a blank 16 oz. Vinyl Mat cover comes in blue, red or black.

PROPRIETARY AND CONFIDENTIAL - THE INFORMATION CONTAINED IN THIS DOCUMENT IS THE SOLE PROPERTY OF TAPOUT, LLC. ANY REPRODUCTION IN PART OR AS A WHOLE IS PROHIBITED WITHOUT THE WRITTEN PERMISSION OF TAPOUT, LLC.

- Custom printed vinyl or canvas mat covers are available upon request. These provide the perfect opportunity to obtain funding for your event through the sale of advertising space on your mat cover. Please contact Tapout for more details. *(please note, custom color choices may increase the production timeline of your Professional Cage)*

5. Full Length Corner Pads

- The corners are covered with an extra wide and long pad (Approved by the California, Texas, Florida, Nevada and New Jersey State Athletic Commissions) are serves to protect the athletes while fighting in the corners.
- The Corner Pads are a great spot to create branding and/or sponsorship advertising for your event.
- Custom color Corner Pads are available upon request. Please contact Tapout for additional pricing and color choices. *(please note, custom color choices may increase the production timeline of your Professional MMA Ring)*

6. Vinyl Skirt

- We utilize a 10 oz. Black Vinyl skirt that attaches directly to the cage panels to cover the framing system and give the Professional Cage a complete and seamless look.

7. Stairs

- The Professional Cage is completed with an all steel, diamond plated three step stair allowing easy access to and from the cage for the athletes and officials.

** Custom size and shaped cages are available upon request. Please contact your local Tapout representative for more details.*
